

VILLAGE HALL

NEWS

Issue 25, October 2018

A reminder that on Saturday 15th December 2018 the Village Hall team will be presenting a **Christmas-themed Ceilidh**. For novices to this form of country dancing there will be a "caller" to guide us through the dances. This is an entertainment event that has not been presented in the village for some time but is bound to be a lively and entertaining evening—even if you only come along to enjoy the excellent music and raucous atmosphere! The band performing and guiding us through the evening will be popular local ensemble, **"Lonely Mr Punch"** – check them out at www.lonelymrpunch.co.uk. The bar opens at 7 pm with the show commencing at 7.30. Tickets are £10 per person and include savoury nibbles and mince pies. *See the poster below for details.*

Following a retirement we now have a vacancy for a "Village Representative" on the Village Hall Committee. Interested? Contact Carole on 01427 880758 for further details.

Don't forget that on Sunday, 28th October the entrants in annual Tractor Run gather at the village hall between 9 and 10 am. Come along to see all vintage tractors gathering in the car park ready for the "off". And, there will be bacon sandwiches available for purchase whilst you look round! When the convoy of tractors arrive back at the hall lunch will be available both for participants and spectators—*please note that prior booking is essential.*

The Churchfitters. Last month a large and enthusiastic audience enjoyed the return visit of the multi-talented French-based folk group, the Churchfitters. They have a big following so many of the audience had travelled some distance. They never fail to amuse and entertain with their weird and wonderful array of musical instruments which include a carpenter's saw, which they really do play, and the singing of the female member of the group was very easy on the ear. An excellent evening was had by all, and a return visit is already on the cards.
